Recipes

Venison Sausages with Root Vegetable Mash (serves 4)

Cook the sausages as above and while they are cooking, peel 900g mixed potatoes, carrots and parsnip and cut into chunks. Cook in boiling salted water until tender - about 15-20 minutes. Drain, return to the pan for a few minutes and mash until almost smooth. Heat 45-g butter with 150 ml milk over a medium heat then pour into the mashed vegetables. Add some chopped thyme (optional) and salt and pepper to taste and beat well until light and fluffy. If the mash is too stiff, add more milk. Serve with the sausages and a spoonful of onion gravy.
All appliances vary, these are guidelines only. Not suitable for microwave cooking.
